these options:

If you're looking for specific information within this website, you can use any of

- Use the **Search this Site** option (upper right) using one or more keyword(s) that are probably contained in the page(s) you're looking for. The search results will contain one or more website links, each of them including a few lines of text that are included at the beginning of that page.
- Search for all pages containing a specific tag. Most pages have one or more tags shown at
 the bottom of each page. By clicking on such tag, you get an overview (in the format of
 search results) of all pages that have the same tag (together with a few lines of actual
 content in the beginning of that page). For example there are some pages with the tag
 Website> [1] (just click this link here to experiment with it and see what the result is ...).
- Use the <u>site map</u> [2] option (in the right column, within quicklinks). You'll get an overview of all available pages within this website (showing the title of each page). Use the CTRL-F keyboard combination on the sitemap to easily find pages with a title that matches your search.
- Use the <u>recente updates</u> [3] option to get a list of all new or updated items within this website.
